

Moerdijk, 26-09-2022

Concerns: Debette, UL number: 528003000808528, date of birth: 03-06-2008

microchipnumber: 528210002215888

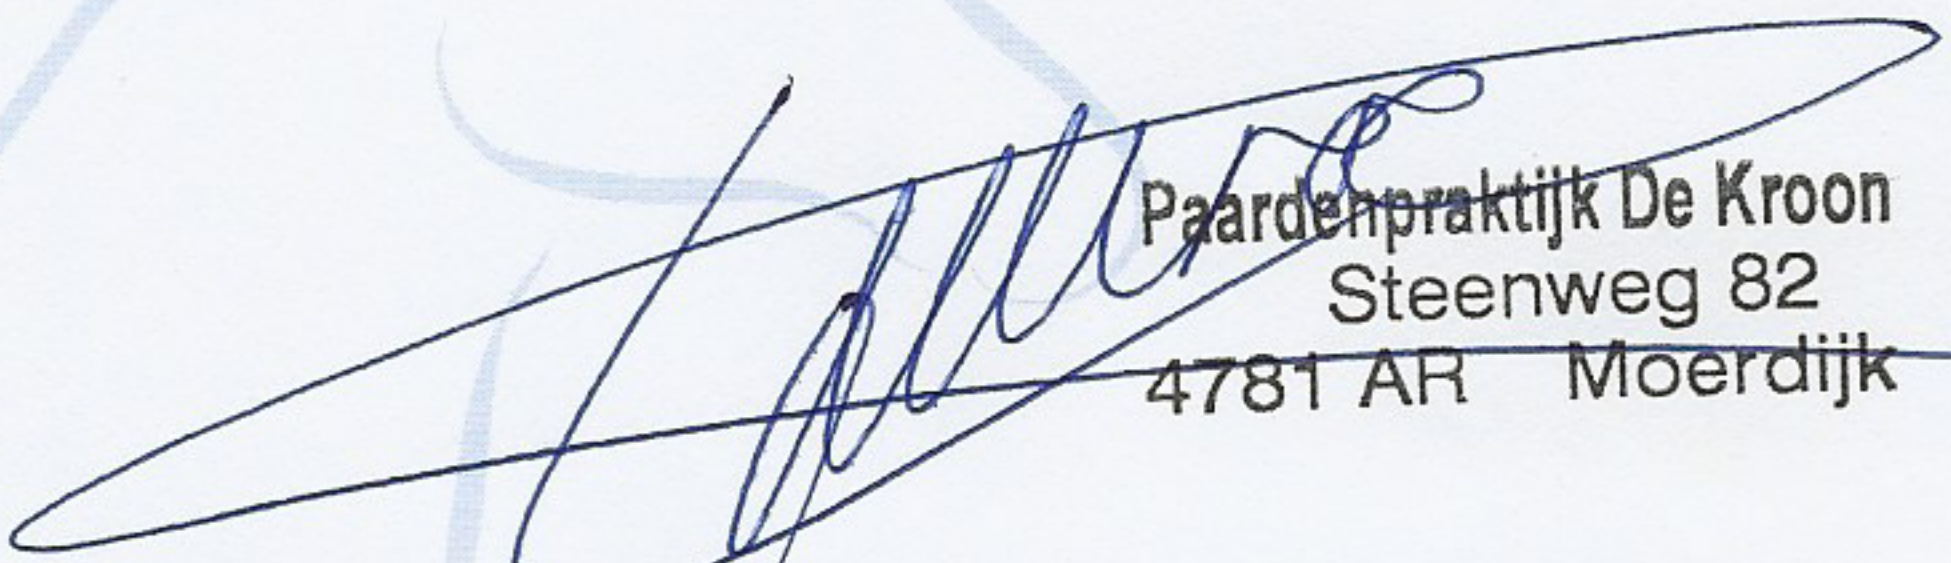

Today I have examined the horse described above:

Hartauscultation:	no abnormalities
After exercise	no abnormalities
Longauscultation:	no abnormalities
After exercise	no abnormalities
Lymph nodes:	no abnormalities
Larynx:	not sensitive, no coughing
Eyes:	no abnormalities
Movement (walk and trot, straight line, hard surface):	no abnormalities

I hope to have informed you sufficiently with this.

Yours sincerely,

L de Kroon, dierenarts
