Moerdijk, 28-09-2022

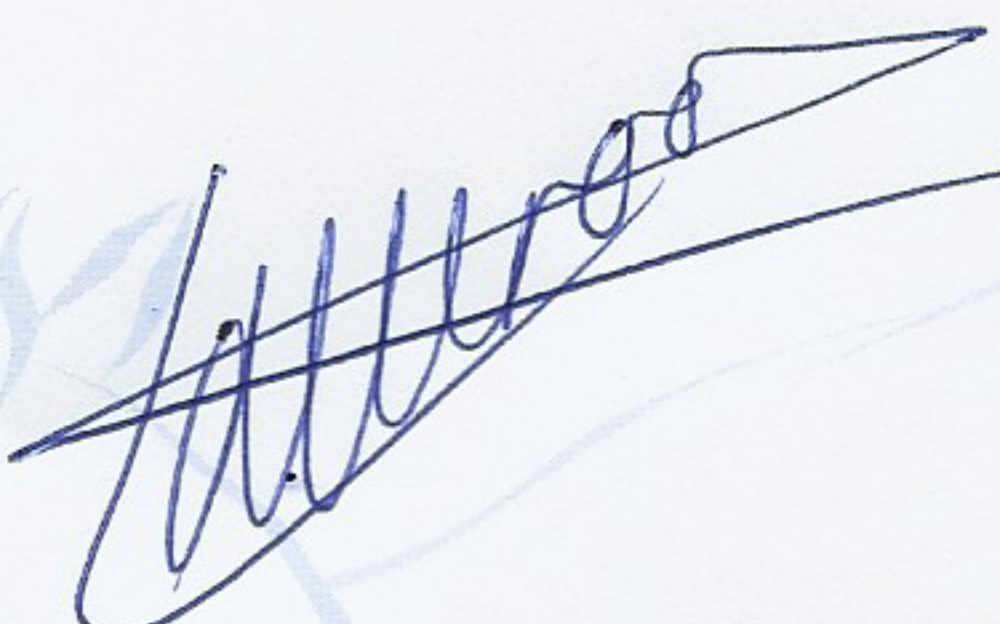

Concerns: Debette, date of birth: 03-06-2008, microchipnumber: 52821002215888 ,
UL Number: 528003000808528

On 26th of September I did a rectal examination of the mare described above and she was still pregnant. Date of insemination was 27th of May.

I hope to have informed you sufficiently with this.

Yours sincerely,

L de Kroon, veterinarian
