Patient: Lafite di Fer (967000009060343, 056002W00299387)

Dear Sir/Madam,

On the 21/05/2023 the ICSI embryo of the stallion Chacco Blue and the above mentioned mare Lafite di Fer with embryo production code 2-12G has been transferred into the recipient mare Myrtle Wilson (registration number (2500FR16303694S), microchip number (250258500164867)).

On the 12/09/2023 the recipient mare Myrtle Wilson was presented to Utrecht University to determine the sex of the fetus. Myrtle Wilson is carrying a male fetus.

If you have any further questions or want to make an appointment please contact us by phone on 0031 30 253 1188 on weekdays between 8.00-16.00 h or by e-mail to [voortplanting.paard@uu.nl](mailto:voortplanting.paard@uu.nl).

Thank you for the confidence you placed in us,

With kind regards,

Equine Reproduction
