STATEMENT ON EMBRYO TRANSFER

To whom it may concern,

Herewith I, Dr. Maarten Hoogewijs, declare that I have transferred a fresh produced ICSI embryo from the mare **Ischl de Muze** fertilized with semen from the stallion **Dominator Z**. The embryo was produced following an OPU/ICSI-procedure performed at Ghent University and was transferred on the 6th of July 2023 into the recipient mare **Priority Boum** (chipnummer 981.100.004.643.298).

The recipient has been checked multiple times en has been confirmed in foal with one viable fetus.

Please do not hesitate to contact me should you have any further questions.

Kind regards,

Maarten Hoogewijs, DVM, PhD, Dipl ECAR.
