Onderwerp: ICSI ET Transfer

Dear Sir/Madam,

On the 16th of March 2021 the ICSI embryo of the stallion Cardento VDL and the above mentioned mare Vantiels Esprit with embryo production code 2-356AD has been transferred into the recipient mare Blakeney bay (registration number 372003006860825, microchip number 372140316860825).

On the 23th of march and 7th and 17th of April 2021 the mare has been checked for pregnancy and was confirmed to be pregnant.

If you have any further questions please contact us at [voortplanting.paard@uu.nl](mailto:voortplanting.paard@uu.nl) or 0031-302531188.

With kind regards,

Mw. S.van de (Selena) Vliert
